## II. ENROLLMENT INFORMATION

### ENROLLMENT IS A 4-STEP PROCESS

To be enrolled at Memphis State University, a student must complete a 4-step process:

1. Admission or Readmission
2. Academic Advising
3. Registration
4. Fee Payment

All steps must be completed in the proper sequence to complete the enrollment process. The details of each step follow.

#### 1. Admission or Readmission

All requirements for admission to the University must be completed before any registration is authorized. Students who complete this process prior to August 20, 1993 will be mailed a registration permit. Early processing will provide the student better options for registration times.

**Continuing Students:** Students enrolled during the Spring 1993 semester who do not have any registration holds (see Registration Holds) will be mailed Registration Permits for Fall 1993.

**New Students:** New students must submit a \$5.00 application fee and application form to the Admissions Office. Students who apply for admission after August 1 will not be assured of registration before the first day of classes. Applications for admission and information concerning procedures and regulations may be obtained from the following Admissions Offices:

Freshman Admissions	Room 215 Admin. Bldg.	678-2101
Transfer Admissions	Room 215 Admin. Bldg.	678-2111
Graduate Admissions	Room 216 Admin. Bldg.	678-2911
International Admissions	Room 216 Admin. Bldg.	678-2911

**MSU Students Who Were Not Enrolled Spring 1993:** Students who were previously enrolled at MSU but not during Spring 1993 must submit a readmission application. Former undergraduate students wishing to take graduate courses for the first time must be properly admitted to the Graduate School as new students. Applications and information concerning readmission may be obtained from:

Readmissions Office	Room 167 Admin. Bldg.	678-2674
---------------------	-----------------------	----------

**Residency Classification:** For information concerning Tennessee Board of Regents guidelines and regulations for classification of in-state (resident) or out-of-state students for fee-paying purposes, direct all questions to:

Admissions Office	Room 205 Admin. Bldg.	678-2344
-------------------	-----------------------	----------

#### 2. Academic Advising

All students at MSU must obtain a Section Request Form from the appropriate advising location prior to registration. Students should contact one of the areas listed below for advising dates, times, and locations.

**Students with declared major (graduate or undergraduate):** contact the academic advisor in the department of their major.

**Undecided, Unclassified, Audit, or Special Undergraduate** (except those seeking some aspect of teacher licensure): contact the Academic Counseling Unit, Scates Hall, Room 107, 678-2062.

**Evening and/or Weekend Only Students Enrolling in Lower Division Classes:** contact Evening Academic Services, Admin. Bldg., Room 167 (12 noon-8:00pm, Monday-Thursday and 8:30am-12 noon on Saturday), 678-2393.

**Graduate Non-Degree Students:** contact the advising office locations for the college in which coursework will be taken. Call the Graduate School for additional information, 678-2531.

**Off-Campus and Jackson Center Students:** contact the MSU Office on the Jackson State Community College campus, (901) 427-4725 or 678-5087.

#### Advising Guidelines

1. See advisor early.
2. Refer to your degree posting sheet and know what you need to take.
3. Plan coursework semester by semester; try to complete lower division courses (1000-2000) before taking upper division courses (3000-4000).
4. Complete your trial schedule plan selecting several alternate sections or courses.
5. Take advantage of your earliest registration appointment time.
6. Check your catalog to ensure that you have completed prerequisites.
7. Update your degree posting sheet at the end of each term.
8. Read your catalog and keep a copy with your degree posting sheet. The student is ultimately responsible for completing the appropriate requirements for the degree program.

#### 3. Registration

##### MATERIALS REQUIRED FOR REGISTRATION

Materials required for registration include: (1) a Registration Permit (information cards are mailed with the permit), (2) a Section Request Form, and (3) any Restricted Section Request Forms for courses requiring special approval (see footnotes in class listings).

**Registration Permit:** Students who have completed the admission process and continuing students who do not have holds (see Permit Holds below) placed on their registration will receive a Registration Permit in the mail. Students not meeting admission requirements in time to receive a registration permit in the mail will receive instructions with the letter of acceptance. Eligible students who have not received a permit by April 12, 1993 for Priority Registration or by August 24, 1993 for Regular Registration may obtain a duplicate copy by presenting valid picture identification in the Registration Center. See the Registration Calendar (page 2) for dates and times.

A Registration Permit is required for any registration processed. Students should bring the most recent permit for the semester of registration. Eligible students who do not participate in Priority Registration will be mailed a permit for Regular Registration.

**Permit Holds:** Registration permits are not mailed to students who have holds placed on their registration. Permits are not held for financial obligations to the University. Students whose permits are held are mailed a Notice of Hold on Registration Materials card informing them of the reason and the office to contact to clear the hold. See the list below for contact offices. Students are responsible for clearing the holds and bringing the Authorization to Release Registration Materials card from the representative office to the Registration Center to pick up their permits.

Hold Reason	Office Location	Telephone

Graduate School	Admin. Bldg. 315	678-3560

**Registration Appointment Times:** The registration appointment time reflected on the Registration Permit is the earliest time that the individual student may register for Priority or Regular Registration. STUDENTS MAY REGISTER AFTER BUT NOT PRIOR TO THEIR APPOINTMENT. These times are based on student level and the number of cumulative hours earned at the end of the previous semester. Appointment times are not required during Continuous or Late Registration.

**Section Request Form:** All students are required to have a Section Request Form (bubble form) prior to entering the Registration Center. These forms should be obtained from an academic advisor (see Academic Advising). Students are encouraged to see their academic advisors well in advance of registration. Some colleges/departments have specified advising dates or deadlines.

Graduate Non-Degree students who do not wish to pursue a degree may obtain a Section Request Form from the department offering the coursework or in the Registration Center. Other undergraduate non-degree classifications may pick up a "self-advised" Section Request Form in the Academic Counseling Unit.

**Restricted Section Request Form:** Students should pick up Restricted Section Request Forms for courses requiring departmental approval. The location for pick-up is indicated by the footnote references in the class listings.

**Overload, Audit, & Credit/No Credit Forms:** Special permission forms are required for students registering for overloads, audit, and credit/no credit classes. See **Academic Policies and Procedures** for more information.

## REGISTRATION PROCESSING

After a student has the required forms as described above, the registration may be processed at or after the assigned appointment time during Priority or Regular Registration OR at any time during Continuous Registration. The student will receive a Class Schedule and Invoice Form when the registration is processed. IT IS THE STUDENTS' RESPONSIBILITY TO VERIFY THEIR CLASS SCHEDULE AND PAY FEES BY THE DEADLINE INDICATED ON THE FORM. Students who fail to pay by the assigned deadline must re-register at or after their assigned Regular Registration appointment time.

### SCHEDULE CONFLICTS and SCHEDULE CHANGES

Students are responsible for preventing conflicts in the scheduling of their classes. No fees will be waived for any of the following reasons: (1) change of instructor; (2) course/section closed and later reopened; (3) employment conflicts; (4) health or medical problems; (5) moving out of town; (6) other reasons which are beyond the University's control or responsibility.

## 4. \$\$\$ Fee Payment \$\$\$

Fees may be paid as soon as the student receives a Class Schedule and Invoice Form. However, all fees MUST BE PAID BY THE DEADLINE INDICATED ON THE STUDENT'S CLASS SCHEDULE AND INVOICE FORM. All deadlines are noted in the Fee Payment Options/Deadline Section and in the Registration/Term Calendars (pages 2-3). REGISTRATION IS NOT COMPLETE UNTIL ALL FEES ARE PAID.

Beginning August 24, 1993, fee payments should be made at the Fee Payment Center, University Center, 3rd Floor. Fees may be paid by cash, check, money order, Visa/MasterCard or through the use of a MSU TIGER FUND\$ account. Students receiving financial aid awards should stop at the Fee Payment Center cashier's station. Students holding billing authorizations should stop at the Fee Adjustment/Billing Authorization station in the Fee Payment Center. Students receiving VA assistance are expected to pay fees in full.

Students will not have their names placed on class rolls until all fees are satisfied. All questions regarding fees, fee payment, and refunds should be directed to the Bursar's Office, Administration Building, Room 176, 678-2243.

### Returned Checks/Charge Card Drafts

It is expected that a check or draft given to the University for any reason, will be honored by the bank on which it is drawn. A check or draft dishonored by the bank on which it is drawn may be presented a second time at the discretion of the University. A \$15.00 returned check/draft charge will be assessed for all checks/drafts returned.

**RETURNED CHECKS/DRAFTS, USED IN PAYMENT OF REGISTRATION FEES, WHICH ARE NOT PROMPTLY REDEEMED, WILL RESULT IN THE DELETION OF THE STUDENT FROM THE CLASS ROLLS.**

### "No More Checks" Status

The privilege of making payments for fees and charges by personal check and check cashing privileges will be revoked for any student who has had more than one returned check/draft within a twelve month period for a period of one year from the date the last check is redeemed. A student will not be permitted to pay registration fees by check if any previous check in payment of registration fees has been returned.

**STUDENTS ON A "NO MORE CHECKS" STATUS SHOULD BE PREPARED TO PAY REGISTRATION FEES WITH CASH, CASHIER'S CHECK, CERTIFIED CHECK, OR BY AUTHORIZED CHARGE CARD DRAFT.**

### FEES AND DEPOSITS

The listing of any fee or incidental charge in this publication does not constitute a contract between the University and the student. Persons with a permanent, total disability (no age limit) and persons 60 years of age and older should refer to the section of this publication covering their fees and registration.

The University will usually collect the amount of fees due at the time of registration and during the adding and dropping of classes in accordance with the residency classification and fee rates in effect. ## NO WILD, NO WILDLIFE.

The California desert tortoise is losing ground.

The fact is that the tortoise population has declined as much as 90% over the last fifty years. This drop is a true biological indicator of how severely the desert ecosystem is at risk.

The Sierra Club works to save our wildlife by saving the wilderness. We have a history of victories. And, we believe, with your help, the three-million-year-old desert tortoise can win back its native turf.

## MISCELLANEOUS INFORMATION

### EXPOSURE TO HAZARDOUS CHEMICALS AND RADIOACTIVE MATERIALS

During the course of the semester, some classes and laboratories may use hazardous chemicals, radioactive materials or radiation producing equipment.

Prior to enrolling for classes each semester Memphis State University recommends that students with health concerns or conditions seek private medical advice about the appropriateness for them to enroll in classes and laboratories using hazardous chemicals, radioactive materials or radiation producing equipment. The state of the art at this time is not sufficient to provide complete information about all possible side effects and health hazards, known and unknown which could develop from the exposure to and use of such hazardous chemicals, radioactive materials and radiation producing equipment.

During regular University business hours Material Safety Data Sheets (MSDS) for hazardous chemicals are available for review at the office of the chair of the department in which such chemicals are used. MSDS are also available for review at the office of the Radiation Safety Officer/Technologist. Information about exposure from radioactive materials and radiation producing equipment may be obtained from the Radiation Safety Officer/Technologist.

### VA EDUCATIONAL BENEFITS

IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF AND FULFILL ALL REQUIREMENTS FOR RECEIPT OF G.I. BILL BENEFITS.

Any student using VA Educational Benefits Assistance (G.I. Bill Benefits) at Memphis State University should contact the Office of Veteran's Services (Rm 212, Scates Hall, 678-2996). New students should be prepared to furnish the following items as needed: an original VA certified copy of their DD 214, or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number if benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veterans educational benefits. Some of these restrictions include: regular class attendance, satisfactory academic progress, and adherence to a

specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (this includes transfer credit), or for elective courses in excess of those needed to meet graduation requirements.

#### Certification Reminders:

- (1) Register with the Office of Veterans Services every semester by completing a Veteran Data Sheet and Certification Request.
- (2) Report credit allowed for prior training in cooperation with your advisor by completing a "Request for Reevaluation of Prior Credit" form. These forms are available from the Office of Veterans Services.
- (3) Inform the Office of Veterans Services of any changes in major or degree pursued, address, marital status, or number of dependents claimed.
- (4) After registering, report to the Office of Veterans Services immediately all changes in class schedules including adds, drops, section changes, cancelled courses, and withdrawals.
- (5) Obtain a degree posting sheet/formal degree plan from your adviser, and furnish a copy to the Office of Veterans Services, as well as keeping a copy for your personal files.

For more information on eligibility requirements, monthly pay rates, and other services available, contact the Office of Veterans Services.

### HARASSMENT POLICY

#### Policy

It is against University policy to harass or to discriminate against any member of the University Community on the basis of sex, race, color, national origin, age, or handicap and/or veteran status.

Such actions are prohibited not only by University Policy, but also by Title VII of the Civil Rights Act of 1964 as amended, and Title IX of the Educational Amendments of 1972. Other types of harassment are prohibited by applicable law. Violation of these Acts may subject the University and/or individuals to disciplinary action and may have legal consequences.

Harassment is reprehensible and will not be tolerated by the University. It subverts the mission of the University and threatens the

careers, educational experience, and well-being of students, faculty and staff. Incidents involving sexual harassment, racial harassment or discrimination have no place within the University. In both obvious and subtle ways, even a suggestion of sexual or racial harassment is destructive to individual students, faculty, staff, and the academic community as a whole.

When, through fear or reprisal, a student, staff member, or faculty member submits or is pressured to submit to unwanted sexual attention, the University's ability to carry out its mission is undermined.

Sexual harassment is especially serious when it threatens relationships between teacher and student or supervisor and subordinate. In such situations, sexual harassment exploits unfairly the power inherent in a faculty member's or supervisor's position. Through grades, wage increases, recommendations for graduate study, promotion, and the like, a teacher or supervisor can have a decisive influence on a student's, staff member's or faculty member's career at the University and beyond.

While sexual harassment most often takes place in situations of a power differential between the persons involved, the University also recognized that sexual harassment may occur between persons of the same University status. The University will not tolerate behavior between or among members of the University community that creates an unacceptable work or educational environment.

A. Sexual harassment is defined as unwelcome sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature when one of the following criteria is met:

1. submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment or of the individual's status in a program, course or activity; or
2. submission to or rejection of such conduct by an individual is used as a basis for employment decisions, a criterion for evaluation, or a basis for academic or other decisions affecting such individual; or
3. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience or creating an intimidating, hostile, or offensive work or educational environment.

Whether the alleged conduct constitutes sexual harassment depends upon the record as a whole and the totality of the circumstances, such as the nature of sexual advances in the context within which the alleged incident occurred.

B. Sexual harassment encompasses and sexual attention that is unwanted. Examples of the verbal or physical conduct prohibited include, but are not limited to:

1. Physical assault;
2. Direct or implied threats that submission to sexual advances will be a condition of employment, work status, promotion, grades, or letters of recommendation;
3. Direct propositions of a sexual nature;
4. Subtle and persistent pressure for sexual activity;
5. A pattern of conduct intended to discomfort or humiliate, or both, that includes one or more of the following: (I) comments of a sexual nature; or (II) sexually explicit statements, questions, jokes, or anecdotes;
6. A pattern of conduct that would discomfort or humiliate, or both, a reasonable person at whom the conduct was directed that includes one or more of the following: (I) unwanted

sexual advances such as touching, patting, hugging, or brushing against a person's body; (II) remarks of a sexual nature about a person's clothing or body; or (III) remarks about sexual activity or speculations about previous sexual experience.

C. Generally, racial harassment is defined as any person's conduct which unreasonably interferes with an individual's performance by creating an intimidating, hostile, or offensive working or educational environment. Harassment on the basis of race, color, or national origin, includes offensive or demeaning treatment of an individual, where such treatment is based typically on prejudiced stereotypes of a group to which that individual may

belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individual because of his/her race, color, or national origin. Title VII requires employers to take prompt action to prevent individuals from expressing their opinions in a way which abuses or offends their coworkers.

D. Generally, harassment on the basis of religion, handicap, or other protected status includes any conduct which has the purpose or has the reasonably foreseeable effect of interfering with an individual's academic efforts, employment, or participation in institutionally sponsored activities. Such harassment also includes any activity which creates an intimidating, hostile or demeaning environment.

The University seeks to encourage the prompt reporting off such harassment and its prompt resolution through University procedures. Where the charge of harassment is by one student against another student, the Assistant Dean of Students for Judicial Affairs and the Associate Dean of Student Development will investigate and resolve the complaint in accordance with student disciplinary procedures. Other charges of harassment should be directed to the University Affirmative Action Officer for investigation and recommendations to the President and will follow guidelines set forth in University Procedure 2A:12:04A.

In addition, the University will take steps towards and encourage the development of programs aimed at informing students and employees of their rights to be free from sexual harassment and the procedures available for reporting. Programs will also be developed and aimed at preventing harassment.

#### **Procedure**

The purpose of this procedure is to provide a clearly defined means of reporting and investigating the complaints of students, faculty, and employees where they believe they have encountered harassment as defined by the University policy. The final resolution of such complaints and the imposition of any appropriate sanctioning will be governed by existing University procedures.

The President has assigned the University Equal Employment/Affirmative Action Compliance Officer the responsibility of investigating any complaint related to this procedure. The responsibility of investigating complaints against students has been assigned to the Assistant Dean of Judicial Affairs and the Associate Dean of Student Development in accordance with appropriate student disciplinary procedures.

Since harassment based on race, sex, or any other factor has been defined as discriminatory in nature, the following will be implemented for the reporting of harassment.

- A. Complaint by student against student - Procedure: Sexual harassment complaint to Assistant Dean of Students for Judicial Affairs for investigation and possible disciplinary action. Dean of Student Development for investigation and possible disciplinary action.
- B. Complaint by faculty member or staff against student - Procedure: Same as (A).
- C. Complaint by student against faculty member or staff; faculty member against staff; faculty member against faculty member or supervisor; or staff against faculty member, staff, supervisor or outside University contracting agency - Procedure: Complaint to University Affirmative Action Officer for investigation and possible disciplinary action by the President.

#### **Procedures**

The following procedures are intended to protect the rights of the aggrieved party as well as the party against whom an allegation of harassment is lodged, as required by state and federal laws. Each charge will be properly investigated and, when warranted, appropriate disciplinary action taken against the individual charged.

In situations that require immediate action, because of safety or other concerns, the institution can take any disciplinary action which is appropriate, e.g., suspension with pay, pending the initiation of the investigation by the EEO/AA officer. The University Affirmative

Action Officer and the President should be contacted in situations requiring immediate action. The TBR Office of General Counsel will be contacted before any immediate action is taken and prior to any investigation.

#### A. Preliminary Investigation

1. Any student, applicant for employment or employee who believes he or she has been subjected to harassment at Memphis State University shall present the charge to the designated EEO/AA officer responsible for compliance with Title VII of the Civil Rights Act of 1964 or Title IX of the Education Amendments of 1972.
2. The EEO/AA officer will make every attempt to get the aggrieved party to provide the charge in writing. The charge shall include the circumstances giving rise to the allegations and the dates of the alleged occurrences. The charge shall be signed by the aggrieved individual and notarized. However, where the aggrieved individual refuses to sign a written charge, the EEO/AA officer will still investigate the allegations, and recommend to the President appropriate action. Based on findings of this investigation, the EEO/AA officer may recommend to the President appropriate action which may or may not be the steps outlined in the remaining paragraphs of this guideline.
3. The EEO/AA officer shall notify in writing the charged party within five (5) working days of receipt of the charge. The charged party shall respond in writing to the charge within five (5) days of notification.
4. The EEO/AA officer may meet with both parties for the purpose resolving the charge informally.
5. The EEO/AA officer shall conduct an investigation of the charge and submit a report to the President, TBR EEO/AA officer, and the parties within twenty (20) working days following receipt of the charge. Each report shall outline the basis of the charge, including the dates of the alleged occurrences, the response of the charged party, the findings of the EEO/AA officer and all attempts to resolve the charge informally and recommendations regarding disposition of the charge. If following an investigation the EEO/AA officer finds there is no substantial evidence to support the charge, the parties shall be so advised in writing.
6. If the investigation reveals that there is evidence to support the charge, the President may meet with the charged party and/or the charging party and attempt to resolve the problem by agreement. In addition, the charged party shall be advised of his/her right to a hearing pursuant to the procedures set forth below. A charged party may request a hearing within ten (10) days following receipt of the report.

#### B. Hearing

1. If the charged party requests a hearing, he or she shall be advised of hearing procedures available under Board of Regents Policy No. 1:06:00:05, Uniform Procedures for Cases Subject to Tennessee Uniform Administrative Procedures Act, and of the established Memphis State University procedures available for resolution of the matter in question. The party requesting a hearing shall be given the opportunity to elect the procedures pursuant to which the matter shall be heard.
2. When an individual elects to proceed under the established Memphis State University procedures for resolution of the matter, the election should be in writing and signed by the individual making the election and should expressly waive the procedures available under the TUAPA as to the matter in question. When a party elects to proceed pursuant to established procedures at Memphis State University, these procedures shall include the following minimal requirements:
  - a. Notice of the charge to the party or parties.
  - b. The right of the party or parties to present his or her case.
  - c. The right to be accompanied by an advisor.
  - d. The right to call witnesses in his or her behalf.
  - e. The right to confront witnesses against him or her. In addition, in any case where the President makes a

decision which is adverse to the charge or claim of either party, the President shall advise the person of any right of appeal provided by TBR policy.

3. Individuals electing to proceed under the TUAPA shall be referred to the appropriate Memphis State University official responsible for commencement of actions under the TUAPA as provided in Board Policy No. 1:06:00:05.
4. When a charge involves a tenured faculty member, the same informal and formal procedures set out above shall be utilized. Tenured faculty members shall have the same right to elect hearing procedures as set out herein. Where the selected hearing procedure results in a finding that sexual harassment exists and the President determines that the harassment constitutes adequate cause for termination, then the matter will proceed under either Memphis State University policy for termination of tenure or TBR policy 5:02:03:00. Under TBR policy the matter shall proceed under section III. 16 on page 15 of 19.

#### PRIVACY RIGHTS OF PARENTS & STUDENTS NOTICE TO STUDENTS

The Family Educational Rights and Privacy Act of 1974, with which the University intends to comply fully, is designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Provisions for the release of information about students and the rights of students and others to have access to Memphis State University education records are as follows:

- A. Release of Personally Identifiable Student Education Records. Memphis State University shall not permit access to or release of any information in the Education Records which is specifically identifiable as referring to any student, other than Directory Information, without the written consent of the student to any party other than the following:
  1. MSU officials and staff who have legitimate educational interests, including academic excellence, honor societies, and fraternities and sororities. Written requests from such officials or organizations shall be sent to the Records Office, and proper identification will be required.
  2. Officials of other schools in which the student seeks admission, if the student has executed a release form to that institution. (At a later date a request for academic information from another institution of learning indicating the reason will be honored as a matter of inter-institutional courtesy.)
  3. Appropriate persons in connection with a student's application for or receipt of financial aid.
  4. Federal or State officials as defined in the regulations concerning this law.
  5. State and local officials authorized by State statute adopted prior to November 19, 1974.
  6. Organizations conducting studies for, or on behalf of, Memphis State University for the purpose of assisting in accomplishing the University's stated goals, and when such information will be used only by such organizations and subsequently destroyed when no longer needed for the intended purpose. The Dean of Admissions and Records or his designate must approve requests of this nature.
  7. Accrediting organizations to carry out their functions.
  8. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1954. (Note: Husband or wife cannot get records of his/her spouse regardless of dependency.)
  9. In compliance with judicial order or subpoena after the University has made a reasonable effort to notify the student.
  10. Appropriate persons in connection with an emergency if such knowledge is necessary to protect the health or

safety of a student or other persons. Verification of the conditions involved will be fully documented.

Note: All individuals and agencies who have requested or obtained access to a student's record (except as stated in A 1-7) will be noted in a record which is kept with each student's closed file. A request must be in writing stating the purpose of the request. This record will also indicate specifically the legitimate interest that the person or agency had in obtaining the information, and the information made available will be limited to that necessary to satisfy such demonstrable needs.

**B. Definitions:**

**Educational Records.** "Educational Records" is defined as those records, files, documents, and other material which (1) contain information directly related to a student; and (2) are maintained by Memphis State University or by a person acting for the University. They do not include: (1) personal notes; (2) records available only to law enforcement personnel; (3) employment records; (4) medical, psychological, and psychiatric records (these are accessible to the student's physician); (5) and records containing only information relating to a person after that person is no longer a student at the University. An example would be a record of accomplishments of an alumnus of the University.

**Student.** A student is any person who is or has been enrolled at Memphis State University. Wherever "student" is used in reference to personal rights, an eligible parent of a dependent student has similar rights. This "eligible" parent is one who has similar rights. This "eligible" parent is one who has satisfied Section 152 of the Internal Revenue Code of 1954, and who presents proof of such to the custodian. Normally, this will be notarized affirmation by the parent declaring that the student is a dependent for Federal Income Tax purposes.

**Directory Information.** "Directory Information" is defined as: The student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's full- or part-time status, and the student level. At the time a student registers for courses, the student may personally deliver to the Records Office a written request that directory information for that student may not be released. This notification is effective only for the one semester for which the student is then registering. Such information will then be withheld if the request is received within 14 days after the beginning of classes.

**Access.** To have access to an "Educational Record" is to be allowed to see the original record. It implies the right to obtain copies of that record.

**School Officials.** School officials are those University employees with general or specific responsibility for promoting the educational objectives of the University. Employees whose responsibilities place them within this category include: teachers; faculty advisers; admissions counselors; academic advisers; therapeutic counselors and vocational counselors; degree analysts; employment placement personnel; deans, department chairmen, directors, and other administrative officials responsible for some part of the academic enterprise or one of the supporting activities; administrative and faculty sponsors of officially recognized clubs, organizations, etc.; members, including student members, of committees appointed by the President; and clerical personnel employed to assist University officials in discharging professional responsibilities. Access by these officials is restricted where practical only to that portion of the student record necessary for the discharge of assigned duties.

**Legitimate Educational Interests.** Legitimate educational interest are defined as those interest which are essential to the general process of higher education prescribed by various legislative acts and the body of policy adopted by the governing board. Legitimate educational interests would include teaching, research, public service, and such directly supportive activities as

academic advising, general counseling, therapeutic counseling, discipline, vocational counseling and job placement, financial assistance and advisement, medical services, and academic assistance activities.

In addition, the University officially recognizes appropriate co-curricular activities which are generally supportive of overall goals of the institution and contribute generally to the well-being of the entire student body and specifically to many individuals who participate in these activities. These activities include varsity and intramural sports, social fraternities and sororities, honorary and academic fraternities and sororities, departmental clubs, professional fraternities, special interest clubs, and student-government.

**C. Procedure for Gaining Access to Educational Records.**

- To gain access, the student must request the custodian to allow him to peruse the "Educational Record," which request will be granted within a reasonable period of time. The student may ask for an explanation and/or copy of his "Educational Record." Examination will be permitted under conditions which will prevent alteration or mutilation of the record. A student must present proper identification upon request. Documents submitted by or for the student in support of his application for admission or for transfer credit will not be returned to the student nor sent elsewhere.

- If the student believes the "Record" content to be inaccurate, he may submit a request for amendment of his record. Normally such matters will be satisfactorily settled in the course of informal discussion with the student. When this is not the case, the request and the challenge must be presented in writing to the record custodian who will inform the student of his decision within 45 days and of his right to a hearing. The student may then submit a written request for a hearing to the Dean of Admissions and Records who will (1) appoint an Appeals Committee consisting of four "Record" custodians (none of whom is custodian of the "Record" in question), with one of the four designated as chairman, and (2) designate a time and place for first meeting and inform the student of the same.

- The Appeals Committee will convene with the student within 45 days from the date of the request, allowing the student, or his parents if the student is a dependent, to present relevant evidence. The student may be assisted or represented by counsel of his choice and at his own expense. A written decision based solely upon evidence presented at the hearing will be given the student within 45 days after the conclusion of the hearing, including a summary of the evidence and reasons for the decision and notification of his right to place a statement in the "Educational Record." Thereupon, the student may submit to the Committee a written explanation to be inserted into the "Record."

Note: This procedure does not provide for a hearing to contest an academic grade.

**D. Right of Access Does Not Include:**

1. Financial records or parents or any information therein.
  2. Confidential letters and statements of recommendation which were placed in the "Educational Records" prior to January 1, 1975.
  3. "Records" to which access has been waived by a student.
- E. No University office receiving student information shall, and all agencies receiving student information will be advised not to, release the information to another party without the written consent of the student.
- F. The University retains all rights to the student's academic record and may withhold transcripts of the record because of unfulfilled obligations to the University.
- G. Eligible students and parents have the right to file a complaint with the Department of Education concerning an alleged failure by the University to comply with the "Privacy Rights of Parents and Students" Act. Students may also file a complaint against the University in the office of the Dean of Admissions and Records. A copy of the Act may be read in the offices of the Associate Dean of Admissions and Records (Records), the Dean of Admissions and Records, or the University Counsel.

In accordance with local, state and federal laws and with University Regulations promulgated in accordance with the Tennessee Board of Regents policy, students are prohibited from unlawfully processing, using, selling, manufacturing or distributing illicit drugs on University owned or controlled property. Also, students are prohibited from possessing, using, selling, manufacturing or distributing alcoholic beverages on University owned or controlled property.
- At off-campus University sponsored (funded) events, students are prohibited from unlawfully possessing, using, selling, manufacturing or distributing illicit drugs. Alcohol shall not be abused by those of legal drinking age, nor used, possessed or distributed by those who have not attained drinking age.
  - Additionally, students are prohibited from being under the influence of illegal drugs or alcohol while on University owned or controlled property or while attending any University sponsored (funded) activity.
- B. Under the laws of the state of Tennessee, a person convicted of the unlawful possession, use, or distribution of an illicit drug or alcohol may face a fine ranging from fifty dollars (\$50) to \$500,000 and may face imprisonment ranging from thirty (30) days to sixty (60) years. Dependent on the offense and its classification, the fine and imprisonment may vary but will be within the limits noted. Descriptions of the offenses and sanctions listed are located in the Tennessee Code Annotated (T.C.A.) in section 39-17-401 through 427 and in sections 40-35-101 through 504.
- Under the laws of the United States, a person convicted of the manufacture, distribution or possession of any controlled substance may face a fine of up to \$100,000 and may face imprisonment of up to one (1) year for Schedule V drugs, and a fine of up to \$400,000 and life imprisonment for Schedule I drugs. Dependent on the offense and its classification (according to the schedule of the drug), the sanction may vary but will be within the limits listed above. These sanctions are doubled when the offense involves either (i) distribution or possession at or near a school or college campus (emphasis supplied) or (ii) distribution to persons under 21 years of age. Additional sanctions include civil fines of up to \$10,000 for simple possession and loss of eligibility for federal benefits. Descriptions of offenses and sanctions are located in the United States Code (U.S.C.), title 21, sections 801 et seq.
- C. The use of illicit drugs or alcohol may result in a variety of health problems. Excessive use of alcohol, for instance has been shown to result in damage to the heart and liver; impairment brain activity, digestion and blood circulation; impairment of judgment, memory and motor skills; and ultimately may lead to death.
- The use of illicit drugs has been shown to cause organic damage, impairment of physiological processes, and impairment to mental functioning. Risks of contracting hepatitis, AIDS and other infections increases when illicit drugs are injected. The use of illicit drugs may also lead to death.
- D. Memphis State University students have access to a wide variety of drug or alcohol related counseling/assistance programs, both on and off campus. On campus services, which are entirely free to students, include the Center for Student Development's Psychological Counseling unit, the University's Health Center and the Department of Psychology's counseling services (Psychological Service Center). For more information on campus bases services, contact the Center for Student Development at 678-2067 (MSU-2067).
- Off campus programs to assist the substance abuser range from groups dealing with addictive behaviors - such as Alcoholics Anonymous - to full service, in-patient programs operated by local hospitals or health-related concerns. These programs may be contracted either directly or through referral by the MSU's Center for Student Development; although, none are operated

with the assistance of the University.

- E. Violation of University Policy as stated in Section A above will result in disciplinary action being taken against the responsible student. A violation may result in a sanction ranging from a simple warning and referral for treatment to a full suspension or expulsion from the University and may also result in referral for prosecution by local, state or federal authorities. For a more detailed view of the disciplinary process, see the **Student Handbook** section on student discipline ("Code of Conduct") or contact the Office of Judicial Affairs at 678-2298 (MSU-2298).

**CRIME AWARENESS AND CAMPUS  
SECURITY ACT OF 1990**

1. Memphis State University Procedure No. 2D:06:01A provides that all suspicious and/or criminal activity should be reported the Department of Public Safety, which is open 24 hours a day. Reports of such activity may be made in person to a member of the Department of Public Safety at the office (151 Administration Building), to any Officer on campus patrol, by telephone (678-4357 or MSU-HELP), or from any campus emergency telephone located at various sites across campus and in the lobbies of all academic buildings.
2. The campus and facilities of Memphis State University are restricted to students, faculty, staff, guests and invitees of the University, except when all or part of the campus, its buildings or facilities are open to the general public for a designated time and purpose. Generally, buildings other than residence halls are secured by 10:00 p.m. each evening. Individuals loitering on campus without a legitimate purpose as specified above are issued trespass warnings and directed to leave campus; failure to comply with the warning will result in arrest.

The main lobbies of residence halls are open from 7:00 a.m. to 12:00 midnight each day. After midnight, the residence hall lobbies are restricted to student residents and Residence Life staff. Visitation hours are established by a two-thirds majority of the residents of each individual hall at the beginning of each Fall semester. In any case, visitation hours may not exceed 12 hours (12:00 noon to 12:00 midnight) on weekdays and 14 hours (12:00 noon to 2:00 a.m.) on weekends. For more information concerning the residence hall visitation policy, consult the Residence Hall Application Reservation brochure available in the Office of Residence Life and Visitor Information Center.
3. The Department of Public Safety employs 30 commissioned peace officers. Public Safety Officers attend a basic police academy and an in-service training program in conformance with the requirements of the Tennessee Peace Officers' Standards and Training Commission. The Public Safety Officers' commission authorizes them to enforce state law on campus and on contiguous streets, and to investigate crime occurring on campus or against the University.

Students are encouraged to promptly report crime and suspicious activity through various crime awareness and prevention programming sponsored by the Department of Public Safety and the Division of Student Affairs, including New Student Orientation and Residence Life programming. Students are further encouraged to report criminal activity as outlined in various University publications, including the Student Handbook and the Campus Safety and Security brochure.
4. The Department of Public Safety and the Division of Student Affairs sponsor on-going programming on crime prevention and safety awareness. Programming includes skits, videos, self-defense presentations and discussions presented to various student organizations and groups, resident students, and new students during orientation. This programming, as well as literature published by the University, encourages students to adopt safe behaviors and attempts to foster a sense of personal responsibility for safety among all members of the campus community.
5. The Memphis State University Department of Public Safety

receives a monthly Integrated Computer Apprehension Program (ICAP) report of criminal offenses committed in the general neighborhood surrounding the University from the Crime Analysis Unit of the City of Memphis Police Department. Reported offenses include aggravated assault, sexual assault, robbery, burglary, larceny, and motor vehicle theft. The Memphis Police Department is notified of all felony crimes that occur on campus. Any sexual assault of a Memphis State University student that is reported to the Department of Public Safety is also reported to the Memphis Police Department, whether the offense occurred on or off campus. The Tennessee Bureau of Investigation is also notified of any criminal activity deemed to be of special interest.

6. The sale, consumption or possession of alcohol or illegal drugs is prohibited on the campus of Memphis State University and at any University sponsored student activity. Violators of this policy are subject to arrest and disciplinary action by the University. Further information regarding the University's policy on alcohol and drug use is contained in the Student Handbook in the sections entitled "Memphis State University's Position on Drug and Alcohol Use", "Residence Life", and "The Code of Student Conduct" and in this schedule of classes.

## PARKING REGULATIONS

### MEMPHIS STATE UNIVERSITY

**Campus Traffic and Parking Regulations** are available in the Public Safety Office, Room 151, Administration Building, the Information Center located at the corner of Patterson and Central, the Parking Office, 3918 Central Avenue, and Office of Judicial Affairs, 203 Scates Hall.

Every vehicle parked on campus property must be registered with the Parking Office and have a parking permit properly displayed. Parking meters have been placed in parking lots around the University for the use of visitors. Parking permits are designed to hang from the inside rearview mirror post and may be transferred to a replacement vehicle when the registered vehicle is not available. A temporary parking permit must be purchased from the Parking Office when you forget to transfer the regular parking permit. Parking permit fees range from \$15 - \$100 based on the level of parking desired. The student's fee payment/registration receipt must be presented to receive the parking permit. For additional information, telephone the Parking Office at 678-2212.

**Parking lots** are either Priority (gate access), Reserved, General, Resident, or Visitor. All University owned streets are reserved for Resident or Visitor parking. A parking sign is erected at the entrance to each lot and University owned street indicating the use of that lot or street.

**Priority (gate access) lots** have a limited number of spaces. These spaces are sold for either day or evening use and a parking space is virtually guaranteed. Applications for gate access parking are available in the Parking Office or in the Fee Payment Center during registration.

Vehicles must be parked within parking spaces delineated by white lines.

Improperly parked vehicles may be towed at owner's expense. The issuance of a parking decal does not guarantee a parking space on University property. The inability to locate a legal parking space does not diminish the responsibility to park in accordance with University parking regulations.

**Visitor parking** is provided in spaces where parking meters are installed in various locations around campus or in the Parking Garage located at Deloach and Norriswood Streets. Visitor Parking Permits are available at the Parking Office or Visitor Information Center for a fee of \$1.00 per day. These permits allow parking at metered spaces without additional payment or in the General parking lots. The Visitor Information Center is located at Patterson Street and Central Avenue and Parking Office, 3918 Central Avenue.

**Garage parking** is available Monday through Friday at Deloach and Norriswood streets. Garage parking is \$.50 per hour or a daily rate of \$2.50.

Public Safety officers, parking assistants, faculty members, or staff employees are not empowered to allow anyone to violate the traffic and parking regulations.

Storing articles of value (including radar detectors) in parked automobiles is discouraged. However, if articles must be left in an automobile they should be placed out of sight and/or located in the trunk. Memphis State University does not assume responsibility for loss of personal property.

Motorists may obtain assistance or information from any campus officer on patrol or by calling 678-4357 (MSU-HELP), or by using any emergency telephone located across campus and in the lobbies of most academic buildings.

# IMPORTANT TELEPHONE NUMBERS

## FOR ALL CAMPUS EMERGENCIES, DIAL 678-4357 (MSU-HELP)

NOTE: When an emergency arises, do not dial 9-1-1! The emergency center screen **would not** show information necessary for response. The 9-1-1 Office and the Memphis Fire Department request that all emergency calls be routed through the Memphis State University Public Safety Office dispatcher. The dispatcher will immediately create a conference call with the necessary emergency agency. Public Safety will have the caller's location displayed. This procedure ensures emergency aid routing the correct location.
